### **THE RHOBİ GUARANTEE**

We will set up your entire company to include your inventory, customer & vendor data base as well as all your user accounts for a **FREE** 30 day trial period. This way you can do a side by side comparison of RHOBİ versus your current operating system. If after 30 days you are not convinced that we offer you a better service than your old software program, then let us know and we will just turn it off. All we ask is give us a chance to show you just what we can offer you as the only Live MarketPlace. (NO HARM, NO FOUL)
